LIBGUIDES AT DEL MAR

LibGuides

Your Information Literacy Portal
provided by Del Mar College Libraries

The Libraries at Del Mar College are excited to announce the debut of Libguides, a new way to match program or course specific research information with the students who need it. Libguides (libguides.delmar.edu) allows librarians and faculty to collaborate in creating custom research guides for departments, programs or classes. With easily customizable pages and tabs, we can load pages with the databases, journals, books or websites your students need to succeed.

Our goal is to create libguides for all the programs at Del Mar College, ensuring that students can find the resources they need. By partnering with faculty, we can add videos, podcasts, RSS feeds, and links to important information. Current libguides are: **Business, Resources for Presentations and More, Drama Resources, Economics, English 1301, English 1302, English 1302 Valerio, HPRS, Kinesiology, Larry D. Thomas for Del Mar's Poetry Corner, and Music Information & Resources.** Please take a look at the current libguides at libguides.delmar.edu. You can view examples of other libraries' guides at: libguides.com/community. The Librarians would like to create libguides for your department, program or class, so contact Alexia Riggs (x1977), Sally Bickley(x1931) or Lisa Muilenburg (x1742) to start your libguide.
