FREQUENTLY ASKED QUESTIONS

We understand being new to a campus can be overwhelming! Our advisors have put together some of the questions they are asked most to help you in transitioning to Del Mar.

Most of these answers can be found within this Advising Guide:

ADVISING & REGISTRATION

Why do I have to see an advisor if I have less than 30 credits?

Your advisor wants to make sure that you are on the right track. By requiring advising sessions before registration, we can answer your questions and ensure you are taking the right classes.

What is the credit hour number for full-time and part-time in Summer sessions?

To be considered full-time in the Summer (courses available from the end of May through August), you must be enrolled in 12 hours overall.

Usually, it is recommended to complete no more than 6 hours in Summer I and 6 hours in Summer II.

QUESTIONS ABOUT MY MAJOR

What kind of degrees/certificates does Del Mar have, and what can I do with either?

This is a great question! Visit delmar.edu/degrees to see all of our majors – we offer over 150! When you find the major you're interested in, click on it to learn more about career information.

Do I have to take core classes?

This will depend on your major! Not all majors require core (basic) courses such as History or Science. It is best to meet with your advisor to be sure. Schedule a meeting with your advisor at delmar.edu/advisors.

TUITION & FINANCIAL AID

If I am getting a financial aid refund, where will my money go?

Financial aid refunds, which are funds left over from your financial aid after your tuition & fees are paid, will be disbursed according to the disbursement calendar. You must select a disbursement method through Viking Pay.

You can find more information on that at delmar.edu/afford, then click “Disbursements,” and “Find current schedules.”

TECHNOLOGY

I cannot log in! How can I reset my password?

This can be frustrating – but we're here to help! The Viking Helpdesk is available 24 hours per day, Monday-Friday, at (361) 698-2330.

OTHER

Can I live on campus?

Del Mar does not offer on-campus student housing at this time. However, there are several apartment complexes in our surrounding area, many of which provide student discounts!

PLANNING YOUR SCHEDULE

ADVISOR OR COUNSELOR?

Each Del Mar College campus provides students the opportunity to meet with both academic advisors and licensed professional counselors. If you are unsure over whether to meet with an advisor or counselor regarding your academic, personal, career, or disability issues, you may want to visit the Student Enrollment Center for directions to the appropriate office.

HOW MANY HOURS SHOULD I TAKE?

According to the Texas Administrative Code, it is suggested that you do not take more credit hours than the number of weeks you are in school for that semester.

For example, in the 16-week fall and spring semesters, you should not enroll in more than 16 semester hours. In a six-week summer session, you should not enroll in more than six semester hours.

CREDIT HOUR GUIDELINES

| | |
|------------------|--------------------|
| 6 or less hours | Part-Time |
| 6-8 hours | Half-Time |
| 9-11 hours | Three-Quarter Time |
| 12 hours or more | Full-Time |

THREE-PEAT RULE

If you repeat a course for three or more times, a higher tuition rate is charged for most credit courses, starting on your third attempt.

SIX-DROP RULE

If you are a first-time student who entered college in Fall 2007 or after, you cannot drop more than six courses, including any course you have dropped at another college/university in Texas, according to Senate Bill 1231. There are exceptions to this policy if you show good cause for dropping a course(s). For further information, please contact the Registrar's Office.

NOT SURE WHAT TO ASK YOUR ADVISOR?

Here are some ideas:

- What do you see are upcoming trends in industry?
- My career goals include becoming a _____, I plan on completing my associates then going to _____.
- How should I start investigating my career options and opportunities?
- What do you wish you knew at my stage of life?
- When do you want to meet next?

Registrar documents available online include:

- Del Mar College Transcript Request Form
- Graduation Application
- FERPA Release Form
- TERF (Transfer Evaluation Request Form)
- Schedule Change Request
- Drop/Withdrawal Form

Visit [**delmar.edu/offices/registrar**](http://delmar.edu/offices/registrar)

- Request a transcript on-line! Visit [**delmar.edu/transcripts**](http://delmar.edu/transcripts) when you need to send your DMC transcript.

Family Educational Rights and Privacy Act (FERPA) Information: Student Records

Your records pertaining to directory information and education are kept by the Registrar's Office. According to the Family Educational Rights and Privacy Act (FERPA), education records are those records that relate directly to your academic progress maintained by the institution.

If you want to review your records, you may do so by requesting and presenting your ID card in the Registrar's Office. If, upon review, you desire to challenge any portion of your records, you should contact the Vice President of Student Affairs.

School officials, who act in your educational interest within the limitations of their need to know, have access to your records without your prior written consent. The FERPA request form can be found at [**delmar.edu/registrar**](http://delmar.edu/registrar).

WITHDRAWING FROM A COURSE

Withdrawal from a course occurs after the official day of record and will result in a “W” on your transcript, and no credit will be awarded for the courses. The last day to drop a class can be found on the Academic Calendar for each semester. After that date, the grade earned will be posted to your transcript and calculated into the GPA.

If you decide to withdraw from a specific course(s), you should complete a Drop/Withdrawal Form from the Registrar’s Office. The drop process will be initiated once the completed form has been received by the Registrar’s Office. The form must be turned in prior to the published deadline for withdrawals found on the Academic Calendar.

You are strongly encouraged to visit with a Retention Case Manager by calling (361) 698-1948 to discuss potential consequences of this decision. It is also recommended that you meet with your advisor to discuss how this affects your academic plan to completion.

Since 2007, Texas law limits the number of times a student may withdraw (“W”) from a course at a public institution of higher education in Texas. **Students are limited to a total of six “W’s” during their entire undergraduate career.** All students who started college during or after fall 2007 are affected by the six-drop limit, including students who transfer to Del Mar College from another Texas public institution. If you were enrolled as a student prior to fall 2007, the six-drop limit does not affect you.

How to Submit a Withdrawal Form:

- Submit the form in person at the Registrar’s Office on the Heritage Campus in the Harvin Student Center, 2nd Floor, or on the Windward Campus in the Coleman Center.
- Complete the form and scan electronically by email to reginfo@delmar.edu.
- Complete the form and fax directly to the Registrar’s Office at (361) 698-1857.

BEFORE WITHDRAWING

Talk to your instructor.

Ask for recommendations on how to improve your grade.

Talk to your advisor.

Why do you feel you need to drop the class?

Visit a Retention Case

Manager to discuss potential consequences of this decision.

Seek out tutoring services

at Heritage or Windward campuses.

Check with the Financial

Aid Office, and Veteran’s Office if applicable, to determine if withdrawing will adversely affect your financial aid.

Make your final decision

before the last day to withdraw (see Academic Calendar for deadline).

To drop a course, you must submit a Drop/Withdrawal Form to the Registrar’s Office.

Refunds for dropped classes

will be disbursed according to the posted refund schedule available on the website at delmar.edu/afford, then “Tuition & Fees,” then “How Do I Get My Refund?”
