Professional Truck Driver I - Manual

Curriculum Break Down (Syllabus)

CVOP 1015/CVOP 1013

The objective of the Professional Truck Driver 1 program is to provide our students with basic knowledge and skills in preparation for successfully completing the Commercial Driver's License (CDL) exam. An individual successfully completing this program should have experienced the ability to safely operate a tractor-trailer. A full-time student will be scheduled for **200 clock hours to be completed within 5 weeks**. (Course length will vary due to COVID-19). Students are required to abide by the [Del Mar College Student Code of Conduct](https://www.delmar.edu/offices/engage/standards_of_student_conduct.html) at all times. (https://www.delmar.edu/offices/engage/standards_of_student_conduct.html)

Pre-Requisite/SIM: This section, consisting of **40 clock hours of online coursework COMPLETED FROM HOME OR IN OUR LAB including 6 hours of MANDATORY simulator training** designed to provide the student with the information needed to obtain the requirements for a **CLP (Class A Commercial Learners Permit)**, which includes Special Requirements, General Knowledge, Combination Vehicle, and Air Brakes. **MANDATORY CLP TESTING will be completed DAILY at Del Mar College for both day and night classes. Initial testing appointments will be made on the students behalf by TTS office staff.** The applicant will be provided the required curriculum that is required by the Federal Motor Carrier Safety Administration (FMCSA) to all Entry Level training applicants prior to being eligible to begin the hands on training to earn your CDL license through the Department of Public Safety.

Backing Skills Instruction: This section, consisting of **80 clock hours** of behind the wheel training and observation, is designed to provide the student with the ability to **safely maneuver a tractor-trailer unit into a park position**. This instruction includes **straight-line backing, alley docking, off-set backing, blind-side/sight side parallel parking, coupling & uncoupling, 8-step brake test and pre-trip inspection**.

Driving Skills Instruction: This section, consisting of **80 clock hours** of behind the wheel training and observation, is designed to prepare the student to **safely operate a tractor-trailer unit**. The student will practice the **proper methods of shifting techniques (manual), approaching intersections, left/right hand turns, entering/exiting freeway ramps, and using mirrors while driving both forward and backwards in congestive traffic**. Each student will be required to maintain a Driver's Daily Log. The student's progress will be documented daily. **On the last day of road training, student will be given a Driver's Certification Road Test**. Students must successfully achieve this certification to be eligible to attempt final skills test.

Note: **Del Mar College is a certified 3rd Party Testing facility**. All Del Mar Students who successfully pass their certification will be scheduled their CDL Driving Skills test at our facilities avoiding the lengthy scheduling process at DPS.
